### **Article 5.1 - Preliminary study advice**

1. Halfway through the first semester of the first year of registration, in the first year of their degree programme, students will receive a study progress overview specifying the student workload realized thus far.  
*Additional study progress overviews will be sent to students later in the academic year.*
2. Students will receive written preliminary study advice as soon as possible **after the first semester**, and in any case before 1 March.
3. The preliminary study advice should be considered as a warning if there is a question of insufficient study progress, giving students the chance to improve their performance.
4. If the study progress is insufficient to such an extent that the student cannot reasonably be expected to satisfy the conditions for receiving positive study advice within the meaning of Articles 5.2.2.(a) and (b), they will be invited to a meeting with the study advisor.   - a. positive: if the student has earned at least 45 ECTS credit points (*for part-time students 20 ECTS credit points*) for the first year of the degree programme.
  - b. negative: if the student has earned less than 45 ECTS credit points (*for part-time students 20 ECTS credit points*) for the first year of the degree programme. This study advice is binding for the student (BSA), in accordance with Article 7.8b.3 of the Act.
3. *In the event that the preliminary study results are insufficient to such an extent that the student cannot reasonably be expected to pass the 45 ECTS credit points (or 20 ECTS credit points for part-time students) threshold by the end of the first year of study, binding negative study advice may be issued subsequently to the preliminary study advice as referred to in Article 5.1 before the end of the academic year. This may also be at the request of the student. The procedure set out in Article 5.5 will apply.*
4.
  - a. The Faculty Board will take extraordinary circumstances, as referred to in Article 5.4, into account in its decision on which study advice to issue in the first year of registration.
  - b. Notwithstanding the stipulations in Article 5.2.2, if no assessment can be made with regard to a student's suitability for the degree programme due to extraordinary circumstances in the first year, the assessment may be postponed until a later date within the first year of the degree programme.

### ***Multiple degree programmes at the University of Groningen***

1. Students who are registered for the first year of two or more University of Groningen degree programmes, and by the end of the year satisfy the BSA threshold as referred to in Article 5.2.1 for one of them, will not have to satisfy the BSA threshold for the other programme(s) in that year. Students who have successfully completed the first year of a degree programme are exempt from the BSA requirements for the other programmes.

### ***Propaedeutic certificate previously passed***

2. Students who have already passed the equivalent of the first year of a degree programme at the University of Groningen or another Dutch university or (for degree programmes that do not issue propaedeutic certificates), in the opinion of the Board of Examiners, have earned 60 ECTS credit points in the first year, will not fall under the BSA system for the degree programme at the University of Groningen for which they enrol in the first year of the degree programme.

### ***Deregistration before 1 March***

3. No definitive study advice will be issued to students who submit a request for deregistration before or with effect from 1 March of the first year of registration in the degree programme. The procedure as set out in Article 5.1 will apply again to students who reregister in a subsequent academic year. The BSA regulations for the academic year in which they reregister will then apply.

### ***Deregistration before 1 March + registration by 1 February***

4. Article 5.2 applies in full to students who deregister from a degree programme before 1 March and register for a degree programme belonging to the same degree programme cluster, as referred to in Appendix xxx, as of 1 February of the same academic year.
5. Article 5.2 applies in full to students who deregister from the full-time variant of a degree programme before 1 March and register for the part-time variant of the same degree programme or a programme in the same degree programme cluster, as referred to in Appendix xxx, as of 1 February of the same academic year.

### **Registration as of 1 February**

6. An adapted BSA threshold will apply to students who register for a University of Groningen Bachelor's degree programme as of 1 February and have not previously been registered as students in the same academic year. These students must have earned 20 ECTS credit points from the second semester of the first year of the degree programme by the end of the second semester of the first year of registration (*less than 10 ECTS credit points for a part-time degree programme*). In all other cases, the provisions of Article 5.2 will apply *mutatis mutandis*.

### **Article 5.4 - Extraordinary circumstances**

1. When deciding whether to issue binding negative study advice, the Faculty Board will take a student's extraordinary or personal circumstances into account at that student's request. The Faculty Board can thereupon decide to adjust the BSA threshold or postpone issuing study advice.  
This evaluation will also take into account the student's study behaviour; the agreements made and any study plan drawn up in consultation with the study advisor; when the extraordinary circumstances were reported; and the study results achieved by the end of the first year of study.
2. Students must report extraordinary personal circumstances to the study advisor as soon as possible in order to ensure optimum support. The Faculty BSA Committee will make a decision in response to a student's request for postponement of the advice or an adjusted BSA threshold. Students must also report to the study advisor as soon as possible if they are unable to complete the study plan drawn up in consultation with the study advisor and based on the original or adapted BSA threshold.
3. If no assessment can be made at the end of the first academic year with regard to a student's suitability for the degree programme due to extraordinary circumstances, as referred to in Article 5.4.1, at the end of the first academic year that assessment may be postponed.
4. Postponed advice can be issued at any time as long as the first year of the degree programme has not yet been completed.
  - a. The postponed advice will be positive if the BSA threshold (possibly adjusted) has been passed.
  - b. The advice will be negative (and binding) if the student in question still fails to pass the BSA threshold (possibly adapted) by the end of the first year of the degree programme.
5. All students whose study advice has been postponed (whether or not combined with an adaptation of their BSA threshold) are expected to draw up a study plan in consultation with *the study advisor/mentor/designated supervisor* of the degree programme, comprising at least the following:
  - a. the course units from the first year of the degree programme that have not yet been passed, with a related time line

- b. the course units from the second and third years of the degree programme that may be followed in addition to the course units listed under a.
6. Circumstances within the meaning of Article 5.4.1 do not automatically lead to a successful appeal to a grant from the Graduation Fund.

#### **Article 5.5 - Procedure for issuing a definitive study advice**

1. Definitive study advice is issued by the Faculty Board on behalf of the Board of the University. The decision will also state the applicable safeguards of legal rights.
2. Before binding negative study advice is issued, students will receive notice of the intention to issue such advice, after which they will be given the opportunity to put their case to the Faculty Board or its representative.

#### **Article 5.6 - Consequences of a binding negative study advice**

1. Students who have received binding negative study advice may not register for the degree programme for a period of *two consecutive academic years* from 1 September of the next academic year, nor for the other degree programmes belonging to the cluster of related degree programmes as listed in Appendix xxx.
2. Students who have been issued binding negative study advice are not permitted to follow course units in this degree programme via a different degree programme or educational institute in order to avoid the consequences of their binding negative study advice. No exemptions will be granted for course units completed in this way, nor will such completed course units be recognized within the framework of the degree programme in any other way.

6. Students who wish to postpone the date of graduation due to extra examinations that they must still take must submit a written request to this end to the Board of Examiners within two weeks of the date on which the graduation date is determined.

    - ii. *greater than or equal to 9.0 for 'Summa cum laude'*
3. No honours will be awarded if the student workload of exemptions in ECTS credit points is more than half the total number of ECTS credit points for the degree programme. This stipulation does not apply to double degree programmes.

5. Honours may only be awarded if no single course unit was awarded a mark less than 7.0.
