Our reference

Dear master's student,

Welcome to the Faculty of Behavioural and Social Sciences!

You will start a master's program in September and since you are new to our faculty, we would like to invite you to some meetings with other pre-master's and master's students new at our faculty.

Welcome meeting

On 2 September 2024, from 12.30 - 13.30 there will be a welcome meeting in room MO061 (Munting building, room 0061; Snijderszaal). During this meeting, you will receive information about studying at the faculty BSS, study advice and support and the study associations.

After the meeting there will be an opportunity for a short faculty tour and afterwards you can enjoy some coffee/tea and sweets in the Orangerie, so you can get to know new fellow students.

Library Instruction

Also on Monday 2 September, from 17:00-18:00 there will be library instruction in room MO074 (Munting building, room 0074; Noordamzaal).
