

# From continuous to formative testing

ELC - Swedish

## Testing b.c.

- Continuous testing
- 3 tests per block
- Best 2 out of 3 count, average of that 35% - 35%
- 30% written/oral

# Contents

- Tests: listening, grammar, writing
- Writing assignments, media diary, langblogs

## Since March 2020

- Same tests as before, made available for students at specific times
- Partake in at least 2 (out of 3) tests

# After the tests

- What went well, what could be improved?
  - Listening assignment:
    - *Sättet som jag ser på djur och natur är med största respekt och vördnad (eerbied/awe)*
    - *Någon typ av modernare nomadliv, antar jag*
    - *Som att vara som en fågel i en bur*
    - *Det är inte gjort för mig att vara instängd*
  - Grammar/other: small exercise
- Perusal

# Student's responses

- Swedish 1a Febr. 2020
  - Swedish 3a+3b Febr. 2021  
  - Tempting to search for the answers, even though you know you shouldn't
  - Nice pressure to maintain your knowledge/find out what you (didn't) understand
  - Less stressful with the same outcome

# Summary/outcome

- Positive
- Final grades just as good compared to previous years
- Next year?
