# FLEET MEDIA ONBOARD ENTERTAINMENT

For the occasions that you will have some free time in your cabin we have a complimentary onboard entertainment service bringing you the best Hollywood movies, international films, TV box-sets, and international news and sports, anywhere at sea. The service offers an on-demand video experience with hundreds of hours of programming, which can be watched on your laptop, computer or iOS and Android device onboard with a Wi-Fi network connection.

## WHAT IS FLEET MEDIA?

Fleet Media is an onboard service offering a large library of movies, TV box-sets, daily news and sports to passengers including:

### Movies and TV box-sets

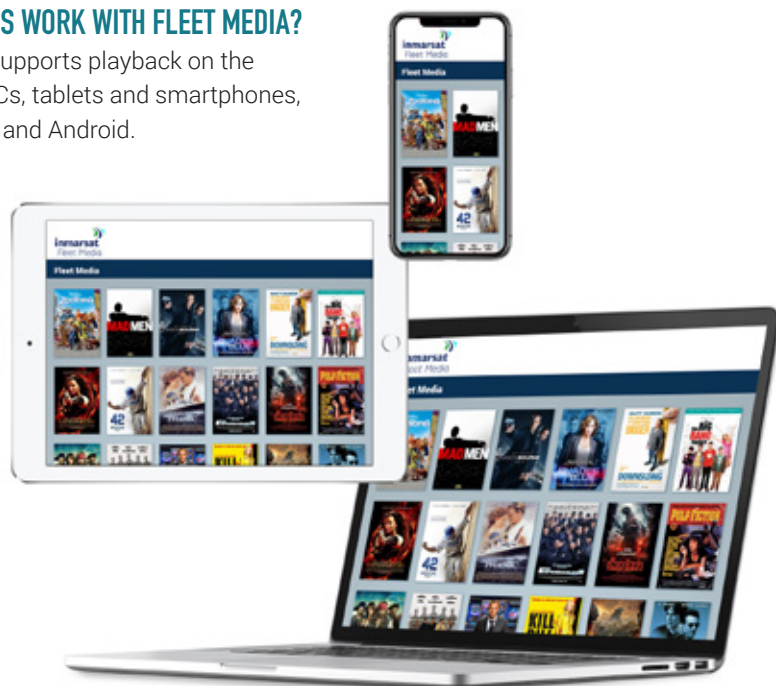

- Superior passenger entertainment service with a massive library of content
- Latest films at time of US DVD release
- Full box-sets of top TV series

### News and sports

- Daily international news provided by Sky.
  - Weekly news summary provided by Sky
  - Daily international sports provided by Sky
- Updates depend on a stable reception of the satellite connection.

## WHAT DEVICES WORK WITH FLEET MEDIA?

Fleet Media supports playback on the majority of PCs, tablets and smartphones, including iOS and Android.

# REQUIREMENTS BEFORE BOARDING

To make use of the Fleet Media entertainment system it is crucial to take the following precautions **before your trip**.

## PC USER INTERFACE

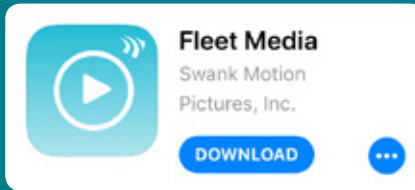

If using a PC, the user will be required to have the following loaded on the computer in advance of boarding:

- Browser: Internet Explorer (IE) or Firefox
- Two plug-ins: Flash Player and Google Widevine Media Optimizer

**Note:** If either of the above requirements are not already installed, the user is automatically presented with links for the download. Follow the on-screen instructions to download.

## Tablet or Smartphone user interface

If using a smartphone or tablet, the user must first install the 'Fleet Media Player' from Google Play (Android) or App Store (iOS).

## ADDITIONAL FEATURES

- Click on 'Recently Watched' to return to a programme.
- Click on 'Category' to browse offered categories.
- Type a title in the 'Search' field to quickly find a desired programme or movie.
- During play, you can stop or pause a programme at any time. When you return, it will begin playing within 30 seconds of the last played position.

## TROUBLESHOOTING

### I can't get connected to the onboard Wi-Fi

Check with the hotel manager onboard to ensure you are properly connected

### I accidentally closed the programme window. How do I get back to it?

Click on 'Recently Watched' link to return to where you left off.

### How do I know if a specific programme is offered?

Type the title or partial title into the 'Search' field.

You can also click the FAQ link located at the top right side of the Content page for a full list of Frequently Asked Questions.

## TO CONNECT

1. Ensure you are connected to the onboard Wi-Fi.
2. Via a browser, launch the following URL: <http://fleetmedia.tv> or click on the Fleet Media URL in the portal.
3. Click on an icon to display a pop-up with a synopsis of the selection, duration, release year, rating and a **'play'** button.
4. Click on the 'play' button to begin viewing.
