

Mini Symposium

December 9, Zernike Campus, Bernoulliborgh Building, Room 253

Genetic Conflicts: Engines of Evolution?

Program

13:00 Opening & Welcome

13:05 **David Haig (Harvard):**
The Huddler's Dilemma

13:35 **Andy Gardner (Oxford):**
A Formal Theory of the Selfish Gene

14:05 **Leo Beukeboom (Groningen):**
Genetic Conflict & Sex Determination Anno 2010

14:35 Coffee break

14:55 **David Shuker (St Andrews):**
Sex Allocation in *Nasonia* Wasps:
New Challenges & Old Problems

15:25 **Greg Hurst (Liverpool):**
Evolutionary & Ecological Consequences of
Male-killing Bacteria

15:55 **Laura Ross (Amhurst):**
Genetic Conflict & Sex Allocation in Scale Insects
