Subject
Course evaluation "Calculus 3", IIb, 14-15

Dear prof. Palasantzas,

The course "Calculus 3" (WPMA13002), given in period IIb of the academic year 2014-2015, has been evaluated by the Programme Committee (PC) of Physics and Applied Physics. If this course was taught by more teachers or teaching assistants, we ask you, as coordinator of this course, to inform them about this letter.

Following the advice of the PC the course was rated as very good (A+). The students gave many positive remarks and there were no transgressions.

The PC sees no further reasons to discuss the results of the evaluation. In case you do find it useful to discuss the results with the committee and the students involved, we would like to hear from you.

Kind regards,
on behalf of the deputy director of Physics and Applied Physics,

Subject
 Evaluation Calculus 3

Dear Mr Palasantzas,

The course Calculus 3, taught by you in period 2b of the academic year 2014-2015, has been evaluated by the Programme Committee Mathematics and Applied Mathematics. In case this course was taught by several lecturers then we kindly ask you, as the coordinator of the course, to inform the other lecturers about the evaluation result.

The course has been evaluated with an A+ by the Programme Committee.

Considering the result of the evaluation the Committee sees no reason to discuss the course with you any further. It is possible that you do consider it useful to discuss the result with the Committee and the students involved. Naturally that is always possible. In that case we look forward to hearing from you.

Sincerely,

A handwritten signature in black ink, appearing to be 'E.C. Wit', written over a large, light-colored scribble.

Ons kenmerk

Dear prof. Palasantzas,

The course "Electronics and Signal Processing", in period IIa of the academic year 2014-2015, has been evaluated by the programme committee (PC) of Physics and Applied Physics. If this course was taught by more teachers or teaching assistants, we ask you, as coordinator of this course, to inform them about this letter.

Following the advice of the PC the course was rated as very good (A+). The members of the PC give their compliments for this remarkable result.

The PC sees no further reasons to discuss the results of the evaluation. In case you do find it useful to discuss the results with the committee and the students involved, we would like to hear from you.

Kind regards,
 on behalf of the deputy director of Physics and Applied Physics,

Evaluatie

Geachte coördinator,

Na kennisname van de evaluatiegegevens heeft de
opleidingscommissie voor de bachelor opleidingen Biologie en LS&T
de evaluatie van het vak *Electronica* van het jaar 2013-2014 met
een

(A+) positief beoordeeld.

De opleidingscommissie wil u dan ook complimenteren met deze
goede beoordeling.

Het vak staat in de planning om over twee jaar weer geëvalueerd
worden, tenzij er een wijziging is in de inhoud van het vak of
wanneer een andere docent het vak coördineert.

Wij danken u hartelijk voor uw medewerking aan de evaluatie.

Met vriendelijke groet,

A handwritten signature in black ink, appearing to be 'M. van Rijssel', written over a rectangular stamp that contains the number '1.0'.

mevr. dr. M. van Rijssel
