### Employment

- 2019-present Project manager Teaching and Learning Innovation, Centre for Learning Innovation and Quality, Faculty of Arts, University of Groningen
- 2009-present Assistant Professor in Applied Linguistics, research and teaching area: *Computer-Assisted Language Learning*. MA and PhD thesis supervisor.
- 1998-2019 Project manager / Head, Centre for ICT & Education, Faculty of Arts, University of Groningen.
- 1998-2002 Lecturer *Computer-Assisted Language Learning*, Humanities Computing/Information Science, University of Groningen.
- 1989-1998 Lecturer English language and linguistics, University of Groningen.
- 1984-1989 English teacher, secondary school for vocational and professional education (HAVO, MEAO), Leeuwarden.

### Education

- 2017 Basic Teaching Qualification (BKO), University of Groningen
- 2003-2009 Doctoral study (PhD in Applied Linguistics), University of Groningen: *ICT-Integrated Language Learning*, promotor Prof Dr C.L.J. de Bot.
- 1987-1991 MA Humanities Computing, University of Groningen.
- 1977-1984 MA English Language and Literature (cum laude), University of Groningen  
Full teaching qualifications.
- 1971-1977 Gymnasium A (~grammar school), Ichthus College, Drachten.

### Innovation projects

- 2022- Project manager and advisor for implementation of Active Learning, Faculty of Arts (cluster 3 and 2), University of Groningen. Approx. K€500 (2022-24)
- 2021- VIS Projects: Virtual International Collaboration projects (Dutch Ministry of Education, Culture and Science). Approx. K€1500. Subcontractor in national training and advice team. Coordinator of applications, University of Groningen.
- 2018-2019 Pro-Active Language Learning (PALL): Redesigning the ELC Language Learning Curriculum, focus on teacher professional development and Active Learning. K€182. Project coordinator, with Prof Marjolijn Verspoor, academic lead.
- 2017-2021 EVOLVE: Evidence-Validated Online Learning through Virtual Exchange, European Forward-Looking Cooperation Project (EU). K€464. Principal investigator and general project manager.
- 2017- ENVOIE (Enabling Virtual Online International Exchange): Implementation of virtual exchange projects across the disciplines, University of Groningen. K€300. Project manager.

2017-2018	A4L4Arts: Analytics for Learn, Faculty of Arts: Pilot project University of Groningen assessing engagement and performance in +7000 blended courses in Faculty of Arts from 2013 to 2017. K€15. Project manager
2013-2017	e-Learning projects University of Groningen: Projects in Faculty of Arts on MOOCs, 3D-virtualisation, flipped classroom implementation, online collaboration tools and virtual exchange. K€ 140. Principal advisor and coordinator.
2012-2013	X@m!: University project for institution-wide implementation of digital testing in University of Groningen. K€695. Project manager.
2012-2014	ETCetera: Department project in European Languages and Cultures. Several subprojects. Teacher trainer and coordinator.
2011-2014	INTENT: European project to support teachers and administrators in setting up telecollaboration for language learning. Principal contact for development of interactive web platform ( <a href="http://www.unicollaboration.eu">www.unicollaboration.eu</a> ).
2011-2012	TUNING Russia: European project. Tuning of educational structures in Russia. Tuning expert and teacher trainer for the area of languages.
2010-2014	SpeakApps: European project aimed at developing web applications and tasks for synchronous and asynchronous video conversation. Principal investigator and coordinator for Dutch.
2010-2014	Digital Testing Project: Faculty of Arts project to implement digital testing. K€120. Project manager.
2010-2012	Idem Dito: University project, selecting and piloting digital testing systems with faculties of Medicine, Business and Economics, Arts and CIT, for university-wide use in University of Groningen. K€140. Project manager.
2009-2010	EMBED: University project on standardizing CEFR-based writing assessment with ICT tools. Project manager.
2006-2007	NAP Project: National project to use ICT for facilitating entry of students of universities of applied sciences in academic university programmes. Project manager for English programme.
2006-2009	TaalVaardig (Proficient in Language): University project to innovate language programmes and courses across the university. Implementation of technology tools and CEFR. Project manager and teacher trainer.
2005-2008	INTUIT (ENglish TUtoring through IT): National project to integrate ICT tools for assessment and autonomous learning in English language learning courses in Dutch universities. Project manager.
2005-present	Ellips consortium: National project, web application for language learning made available for HE institutions in the Netherlands.
2005-2006	Fast Forward: Faculty project, streamlining procedures for digitizing AV-materials. Project manager.
2004-2005	Sprekenderwijs: National project, aimed at introducing voice tools (Wimba) in language learning. Project manager.
2004	Apollo 18: National project, dissemination of Digitalenklas (below) results among new partners. Project manager.

2004-2006	Innovation language labs: Faculty project to innovate facilities for computer-assisted language learning. Project manager.
2003-2005	European Network for the Promotion of Language Learning Among All Undergraduates (ENLU): European project under the aegis of the European Language Council. Project member for University of Groningen.
2002-2005	Davideon: National innovation project on online audio-visual resources in history, journalism and media studies. Principal advisor.
2001-2004	Digitalenklas: National innovation project, aimed at developing new technologies for language learning. Project manager for University of Utrecht.
2001-2003	New Learning Environments for Language Learning: European project, Thematic Network Project II in the Area of Languages (European Language Council). Member of the Scientific Committee.
2000-2002	Av@lon: Audiovisual Archive Arts On-line. Joint project University of Groningen and Dutch Audiovisual Archives. Coordinator for university.
2000-2001	Video-over-IP: Collaboration with IBM, Telematics Institute, NOB, TNO, SURFNet. Development of sophisticated search and annotation tools for streaming video. Project manager for university.
1999-2002	Nestor: University project to select and implement a virtual learning environment for the University of Groningen. Project initiator, in collaboration with colleagues other faculties.
1999-2002	Several faculty grassroots projects: Urban history and development project, website Enlightenment period, Acoustic databases Slavic Languages, Digital Sound Editing, Computer-Assisted Language Learning. Coordinator.
1998-2001	Literary Culture: Joint project with Open University (NL) and University of Leuven. Initiator and coordinator.
1998-2001	TALLENT: European project. Developing a course on ICT for language teaching. Project member.
1997-1999	New Technologies and Language Learning, European project, Thematic Network Project I in the Area of Languages (European Language Council). Member of the Scientific Committee.
1996-1999	Teaching Innovation Project ('Kwaliteit en Studeerbaarheid'): University project, 30 sub projects Faculty of Arts. Project manager and teacher trainer.
1993-1996	CALL project: Faculty project for German, French, English, Spanish and Russian. Development of HOLOGRAM, still used today by several institutions and publishers in the Netherlands. Project manager.

#### **Management and organisation**

2018-2021	Member Local Organising Committee AILA2020
2019	Strategy Advisor Teaching and Learning Innovation University Library, University of Groningen
2017-2021	Chair of Programme Committee annual EUROCALL conferences
2017-2021	Member Editorial Board ReCALL (CUP)
2017-2020	Member Admissions Board Applied Linguistics
2017-2021	Vice President EUROCALL

2016-2014	Executive Board Member (Secretary) UNICollaboration Organiser EUROCALL2014, international conference on computer-assisted language learning.
2013-2015	Member eLearning Task Force, Coimbra Group.
2013-2017	Co-opted member of Executive Board of EUROCALL
2012-2017	Member ICT strategy committee, advisory group on ICT strategy and innovation for Executive Board, University of Groningen.
2012	Member review board digital testing projects SURF (collaborative ICT organisation for Dutch education and research).
2009-2017	Member of Special Interest Groups SURF on Open Education, Digital Testing, Gaming and Virtual Reality.
2007-	Member of Special Interest Groups EUROCALL on Teacher Education and Computer-Mediated Communication.
2003-2017	Member and chair faculty expert group on ICT, advisory body faculty board Faculty of Arts.
2003-2006	Member of steering group on digital rights and licencing issues, SURF
2002-2008	Secretary faculty committee on language teaching and innovation.
2000-2008	National Representative EUROCALL.
1999	Author of report calling for re-organisation Faculty of Arts Computer Department.
1997	Organiser of international conference <i>Language Teaching and Language Technology</i> .
1994	Co-organiser conference on computer-assisted language learning for Anéla (Dutch association of applied linguistics).
1994	Workgroup leader two-day conference on university language teaching in the Netherlands.
1993-2014	Member of national working group ICT for the Humanities.
1993-2003	Member faculty policy group on information technology.
1989-1997	Various board and management tasks department of English (department board, curriculum board, allocation and scheduling of staff time, etc.)

### **Competences and skills**

- Critical, creative, analytical, strategic.
- Pragmatic, focus on results, energetic, pro-active.
- Good sense of organisational and managerial relations.
- Expert in contemporary pedagogical principles and language teaching approaches.
- Mastery of languages: English, C2 receptive and productive; German, C1/C2 receptive, B1/B2 productive; French, B2 receptive, B1 productive. Native speaker of Frisian and Dutch.
- Extensive knowledge and experience with all aspects of project management: acquisition, planning, staff allocation, budgeting, monitoring, reporting.
- Good command of meeting skills: agenda setting, chairing, minuting.
- Up-to-date knowledge and skills of information and communication technologies for education and office applications.

### **Leisure time**

- Running, cycling, skating.
- Reading, gardening.
