BACHELOROPLEIDING GENEESKUNDE GRONINGEN BACHELOR'S MEDICINE GRONINGEN COHORT 2024-2025

Via de Medische Faculteitsvereniging Panacea, kun je je studieboeken bestellen. Je vindt alle boeken voor jouw studie aan het UMCG in de webshop van Panacea (www.panacea.nl), overzichtelijk gesorteerd per jaar en vak. Veel van de studieboeken zijn via de Centrale Medische Bibliotheek beschikbaar als e-boek en we stellen deze waar mogelijk ook beschikbaar tijdens de open boek toetsing. Echter kunnen we niet garanderen dat alle studieboeken als e-boek beschikbaar zijn. Het aanschaffen van de juiste studieboeken is uiteindelijk de verantwoordelijkheid van de student zelf.

Through the Medical Faculty Association Panacea, you can order your textbooks. All the books you need for your programme are available in the Panacea online store (www.panacea.nl), organized into years and subjects. Many of the textbooks are available as ebooks through the Central Medical Library and we will also make these available during the open book review where possible. However, we cannot guarantee that all textbooks will be available as ebooks. Purchasing the correct textbooks is ultimately the student's responsibility.
